Baby if you were a song you'd be stuck in my head.  
Baby if you were a dream you would not leave my bed.  
I'm dropping all the hints, just decode the message,  
What's wrong with your senses darling?

Are you too stupid to realize I love you babe?  
Or was I stupid for loving you in the first place?  
I'm so dumb to love you, dumb to love you, I-I-I  
But baby I do.  
Dumb to love you, dumb to love you, I-I-I  
But baby I do.

Maybe if you were a candy I could have a taste.  
Maybe if you were a map I could find the place.  
I'm dropping all the hints, just decode the message,  
What's wrong with your senses darling?

Are you too stupid to realize I love you babe?  
Or was I stupid for loving you in the first place?  
I'm so dumb to love you, dumb to love you, I-I-I  
But baby I do.  
Dumb to love you, dumb to love you, I-I-I  
But baby I do.

Dumb to love, dumb to touch, dumb to want and dumb  
to trust  
Dumb to love, dumb to touch, dumb to want and dumb  
to trust  
And dumb to trust.  
Dumb to love, dumb to touch, dumb to want and dumb  
to trust  
Dumb to love, dumb to touch, dumb to want and dumb  
to trust  
And dumb to trust.

Baby if you were a song you'd be stuck in my head,  
Baby if kisses could kill then I might have been dead.

Are you too stupid to realize I love you babe?  
Or was I stupid for loving you in the first place?  
You're too dumb to love, too dumb to love, you're too

dumb to love.

And I'm so dumb to love you. But I do, but I do....
