Loving him was like playing the lottery,
I was a fool to think that I could win
Now he's gone with one better than me,
Guess I'm supposed to be happy for him

And I sold my soul, and I gave it all, all all all

So don't you call me and tell me how much
Tell me how much you're in love
I really can't lie, that's sh*t I won't do
I won't say I'm happy for you
I'm not happy for you

Loving him was like playing the lottery,
Chances were one in a billion
I was dumb to crave Disney love,
But now I'm done, oh it sucks growing up

And I sold my soul, and I gave it all, all all all

So don't you call me and tell me how much
Tell me how much you're in love
I really can't lie, that's sh*t I won't do
I won't say I'm happy for you
I'm not happy for you

You gotta love someone
Before you can hate them right, right right right
You gotta love someone
Before you can hate them right, right right right
I hope you get sick from the taste of each other
Next time remind me I'm no good with numbers
Next time remind me we haven't a chance in hell

So don't you call me and tell me how much
Tell me how much you're in love
I really can't lie, that's sh*t I won't do
I won't say I'm happy for you
I'm not happy for you
Oh oh oh oh oh
