Karamel, sweet as hell.
You can kiss, but you can't tell.
Karamel, sweet as hell.
You can kiss, but you can't tell.

You know you make my heart beat
A rhythm that's so damn sweet.
But being sweet ain't part of your game.
Just a bad day, a latte, a sweet pain.
You convince me,
I got on your train to sunshine lane.

What do you wear to a Hollywood funeral?
What do I care? It's the same as usual!
Lalada lalada lalada

Your love is sugar free, zero calories.
It's not sweet to me, cause it's fiery.
You are my fire in life, all I desire in life.
But your love's no good.
Welcome to Hollywood.

You know you make my heart sing
It's sweeter than any damn thing
But being sweet is not how you play
Just a bad day, a latte, a summer rain washed me
I got on your train to sunshine lane

What do you wear to a Hollywood funeral?
What do I care? It's the same as usual!
Lalada lalada lalada

What do you do when there's nothing left to do?
I try so hard
I can't get through to you.
Lalada lalada lalada

Your love is sugar free, zero calories
It's not sweet to me, cause it's fiery
You are my fire in life, all I desire in life
But your love's no good

Welcome to Hollywood
Hollywood! (oh oh, oh oh, oh oh, oh oh!)

Now baby, can you lend me some sugar from your
cupboard?
Pretty lover.
Tick tock, baby, can I borrow some lovin' for an hour?
His love was sour
Why the hell was I lovin' boys in recipes?
I wanted love that was sugary
But what I got is sugar free
Oh yeah
There's nothing sugary about your love
There's nothing sugary about your love
No no no

Your love is sugar free, zero calories
It's not sweet to me, cause it's fiery
You are my fire in life, all I desire in life
But your love's no good
Welcome to Hollywood
Hollywood (oh oh, oh oh)
