Easy money
To all my girls
For you, for you for you for you
All my girls

I never let em some fans cause I'm a chief
But I know I'm the last man I would be
Good to my girl but I ain't a s*cker
I give a trust but I don't a f*cking so
On e thing I love about my down town chick
She like the city but she go down town quick
And I ain't quit no money in the machine
She like the car wash 'cause she wipe me down clean
Why I let it be cause the god soul
And so many girls like my cover girl queen
And she like it like it hard
Nothing too fancy
F*ck me in the car you ain't got me romance me
Type of girl I fancy life maybe...
But only say the L word when I'm f*cked up
I'll be in the car hangin in the dutch
She the world for the... I'm just tryin to get a...

Hook:
Head on top to see my uptown girl
Thank down shop to see my down town girl
Go ot and she my uptown girl
Whatever you at I'll be around girl
Back on top to see my uptown girl
Back down stop to see my other down town girl
You all my girls girl

So hope love the way she a dancer
Go go make good money still wacks for me dough

Said I got a weak in the knees I call co co
Other chicks sexy holla a pepsi
She want... with long legs...

... above she beautiful when she mad me
Let us all go I'm bad and too impressive
That is new... she met me in my shell
First day she said she in love with my flow
Said I'm incredible and later I'm coming on
Way she go the mike hey got nothing on
Hey day she write about me in the diary
I'm all around the world and this is my variety

And my check from the a
She'll be... all day
Coping the cakes they way I'm keeping the calm
And my honey from New York
Make me have a run with the law
If I'm sexing I'm beating it wrong
When I see my... gotta keep the Kelly cope
Because she crazy but I love what she say
My bro in Boston... so when I see a couple of things
I know I get around and I might play hard
But none of... cheat em, like they are
I've been doing but forever... get salt
I need every air... spending
I got so many but I need more in my play
I've been... my honey all over the stake
And I keep on happy too that's why they love... two
Live what a madness too
