Follow, I followed  
Did I stay too late?  
The photos and phone calls  
Set us up like live bait

Where do I go if I'm not going home?  
Who's gonna take me away?  
What have I done if I'm not yours alone?  
Who's gonna take my place?

Wander, I wander  
Looking through your things  
I know she's in here somewhere  
Does she look like me? Arousing

Where do I go if I'm not going home?  
Who's gonna take me away?  
What have I done if I'm not yours alone?  
Who's gonna take my place?

Who's gonna take me away?  
What have I done if I'm not yours alone?  
Who's gonna take my place?  
My place, my place
