(first verse)

There's nothing you can say that would change my
mind
This kinda thing happens almost every time
Your eyes are mesmerizing your words are hypnotizing
I can hear your heart beat

Every single word that comes out your mouth
It's like a poem I just can't help myself
If there was one thing I could do to change this
Would be to throw you on the floor and make you
shameless

(chorus)

Oh I'm waiting for you out here on the floor
I'm all fired up and I'm wanting more
So give it to me better than ever before

I'm attracted to you like a Vampire

(2nd verse)

These flashing lights keep me blinded from you
I'm dripping in diamonds and your scent fills the room
Your being gravitates me and I can hardly breath
The drinks keep pouring while I rock to this beat

Eyes are glazed over your intoxicating me
If looks could kill you'd be a murderer baby
I just can't help myself I could flat line
Your beginning to take over my mind
