(feat. Devante Swing)

Had Enuf?
Have you had enuf?
Have you had enuf?
Have you Had enuf?

[Hook:]
All I have to give you
Is my love until you've had enuf
All I have to give you
Is my love until you've had enuf

You've got me in this position
Don't make me feel all alone
All this pressure you're dealing
You think my heart's made of stone

If that's not enuf you don't know true love
You need to grow up
True love's hard to find so don't pass it by

[Hook]
Are you materialistic?
If so girl you know I can't hang
All this good love I'm giving
Hope girl you don't start to change,
don't start to change

See I've had enuf of wasting true love
You need to grow up
True love is so hard to find
it's gonna pass you by

[Hook]
Have you had enuf?
Have you had enuf?
Have you had enuf?
Have you had enuf?

[Hook]
