

Al B. Sure "I Love It"

Visit "[I Love It](#)" on MotoLyrics.com

I like when you receive me
You keep me safe and warm
When your body starts to tremble
It's like a quiet storm

Girl, I love it when you wait for me
And hold on 'til its time
Girl, then we reach the peak and the explosion hits
Girl, you blow my mind

I love it when you talk to me and say
(Aye, aye, aye)
I love it when you close to me it
(Feels so right)

I love it when you creep with me
(Creep that way)
And I love it when we moan too
(Ooh, feels right)

All you want from me is just to love you right
And never do you wrong
I love playing in your box when it's late at night
To our favorite song
(When I get this feeling)

I watch your body in the shower
Step into the beauty light
Before you dry off, step into the room
Damn, girl, your body's so right

Girl, I'm looking forward to tonight
'Cause papi chuloo's gonna make you feel so right
Mami, I don't think tonight I hesitate
Lady, you should feel free tonight
Just scream my name, ohh

I love it when you talk to me and say
(Aye, aye, aye)
I love it when you close to me it
(Feels so right)

I love it when you creep with me
(Creep that way)
And I love it when we moan too
(Ooh, feels right)
