Do you wanna, wanna, do you wanna, wanna
Do, do you wanna, wanna, do you wanna, wanna

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

There's a girl standin' there, made just for me
If I opened up my eyes then maybe I would see
You know you always cross my mind
I'm gonna get that girl and do it right this time

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

The fellas always say, why do you feel this way
I'll always love that girl until my dyin' day
Don't try to change my mind because hearts don't lie
She could be the girl who loves this guy

All I hope for in my dreams at night
She walks right through the door
You know you're always on my mind
I'm gonna get that girl and do it right this time

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

Please, I can?t take no more
I can?t take no more
You, you the one I adore
The one B. Sure, adores

Do you wanna, wanna
Do you wanna, do you wanna, wanna
Rescue, rescue, rescue me

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me

Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Do you wanna, wanna, do you wanna, wanna
Rescue me
