Be still for a second while I try and try to pin your
flowers on

La, la, la, la, la

Can you carry my drink? I have everything else

I can tie my tie all by myself

I'm getting tied, I'm forgetting why

Oh, we're so disarming, darling, everything we did
believe

Is diving, diving, diving, diving off the balcony

Tired and wired, we ruin too easy

Sleep in our clothes and wait for winter to leave

Hold ourselves together

With our arms around the stereo for hours

La, la, la, la, la, la, la, la

While it sings to itself or whatever it does

When it sings to itself of its long lost loves

I'm getting tied, I'm forgetting why

Tired and wired, we ruin too easy

Sleep in our clothes and wait for winter to leave

And I'll be with you, behind the couch

When they come on a different day, just like this one

We'll stay inside till somebody finds us

Do whatever the TV tells us

Stay inside our rosy-minded fuzz for days

We'll stay inside till somebody finds us

Do whatever the TV tells us

Stay inside our rosy-minded fuzz

So worry not, all things are well

We'll be alright, we have our looks and perfume

Stay inside till somebody finds us

Do whatever the TV tells us

Stay inside our rosy-minded fuzz

So worry not, all things are well

We'll be alright, we have our looks and perfume on
