I was home entertaining guests  
When I fell off the chair and cracked open my head  
Bees flew out and they flew up their skirts  
'Cause they wanted to travel the world

I was home entertaining guests  
When I fell off the chair and cracked open my head  
Bees flew out and they flew up their skirts  
'Cause they wanted to travel the world

But I keep it upstairs  
Keep it upstairs for the grand finale  
I keep it upstairs

Gonna be a blank slate  
Gonna wear a white cape  
But I keep it upstairs

Gonna jump out of a cake  
With my heart on a string  
Keep it upstairs, keep it upstairs, keep it upstairs

I go out looking in parked cars  
For somebody famous to kidnap and love  
Beat off the army with a tennis racket

I go out looking in parked cars  
For somebody famous to kidnap and love  
Beat off the army with a tennis racket  
That's my whole plan

But I keep it upstairs  
Keep it upstairs for the grand finale  
I keep it upstairs

Gonna be a blank slate  
Gonna wear a white cape  
But I keep it upstairs

Gonna tackle young girls  
Off their beautiful bikes  
But I keep it upstairs, keep it upstairs, keep it upstairs

Oh no, I thought I'd be by now  
My head is a buzzing three-star hotel  
Oh no, oh no, no, no, no no, no

But I keep it upstairs  
Keep it upstairs for the grand finale  
I keep it upstairs

Gonna be a blank slate  
Gonna wear a white cape  
But I keep it upstairs

Gonna jump out of a cake  
With my heart on a string  
Keep it upstairs, keep it upstairs, keep it upstairs

Oh no, I thought I'd be by now  
My head is a buzzing three-star hotel  
Oh no, oh no, no, no, no no, no, no, no

Oh no, I thought I'd be by now  
My head is a buzzing three-star hotel  
Oh no, oh no, no, no, no no, no, no, no
