You don't say that anymore
For the rest, for the rest of the night
You don't say that anymore
For the rest of the night.

But I won't be no runaway,
'Cause I won't run.
No, I won't be no runaway.

What makes you think I'm enjoying
Being blamed out of love?
We've got another thing coming undone,
That's taking us over.

'Cause we don't bleed but we don't fight,
Go ahead! go ahead!
Throw your arms at me at night,
And We don't bleed when we don't fight,
Go ahead! go ahead!
Throw your arms around me tonight.

What makes you think I'm enjoying
Being blamed out of love?
We've got another thing coming undone.

But I won't be no runaway,
'Cause I won't run.
No, I won't be no runaway.
'Cause I won't run
No, I won't be no runaway.

What makes you think I'm enjoying
Being blamed out of love?
We've got another thing coming undone,
That is taking us over.

'Cause we don't bleed when we don't fight
Go ahead! go ahead!
Throw your arms at me at night,
We don't bleed when we don't fight,
Go ahead! go ahead!
Throw my clothes in the fire tonight.

What makes you think I'm enjoying
Being blamed out of love?
We've got another thing coming undone,
We've got another thing coming undone,
That is taking us over.

But we don't say that anymore
For the rest, for the rest of the night
We won't say that anymore
For the rest of the night

But I won't be no runaway,
'Cause I won't run.
No, I won't be no runaway

What makes you think I'm enjoying
Being blamed out of love?
We've got another thing coming undone,
That is taking us over.

But we don't bleed when we don't fight
Go ahead! go ahead!
Throw your arms at me at night,
We don't bleed when we don't fight,
Go ahead! go ahead!
Throw your arms around me tonight.

What makes you think I'm enjoying
Being blamed out of love?
We've got another thing coming undone,
We've got another thing coming undone,
That is taking us over.
