You have to do it running  
But you do everything that they ask you to  
'Cause you don't mind seeing yourself in a picture  
As long as you look faraway, as long as you look  
removed

Showered and blue-blazered, fill yourself with quarters  
Showered and blue-blazered, fill yourself with quarters

You get mistaken for strangers by your own friends  
When you pass them at night  
Under the silvery, silvery Citibank lights  
Arm in arm in arm and eyes and eyes, glazing under

Oh, you wouldn't want an angel watching over  
Surprise, surprise, they wouldn't wanna watch  
Another un-innocent, elegant fall  
Into the un-magnificent lives of adults

Make up something to believe in your heart of hearts  
So you have something to wear on your sleeve of  
sleeves  
So you swear, you just saw a feathery woman  
Carry a blindfolded man through the trees

Showered and blue-blazered, fill yourself with quarters  
Showered and blue-blazered, fill yourself with quarters

You get mistaken for strangers by your own friends  
When you pass them at night  
Under the silvery, silvery Citibank lights  
Arm in arm in arm and eyes and eyes, glazing under

Oh, you wouldn't want an angel watching over  
Surprise, surprise, they wouldn't wanna watch  
Another un-innocent, elegant fall  
Into the un-magnificent lives of adults

You get mistaken for strangers by your own friends  
When you pass them at night  
Under the silvery, silvery Citibank lights  
Arm in arm in arm and eyes and eyes, glazing under

Oh, you wouldn't want an angel watching over  
Surprise, surprise, they wouldn't wanna watch  
Another un-innocent, elegant fall  
Into the un-magnificent lives of adults
