It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in

It's quiet company
It's quite a company

It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in

It's quite a company
It's quite a company
It's quite a company

And I can't fall asleep
Without a little help
It takes a lot to settle down
I sailed a boat into the past except

It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break company

It's quiet company
It's quiet company

But I won't follow you into the rabbit hole
I said I would but then I saw
Your shiver bones
They didn't want me to

It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in

It takes an ocean not to break
It takes an ocean not to break

It takes an ocean not to break
