There's no savin' anything  
I'll swallow the shine of the sun  
There's no savin' anything  
I'll swallow the sun

But I won't a runaway  
'Cause I won't run  
No, I won't be a runaway  
What makes you think I enjoy being led to the flood?  
We've got another thing comin' undone  
And it's takin' us over

We don't bleed when we don't fight  
Go ahead go ahead throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead go ahead throw our shirts in the fire tonight

What makes you think I enjoy being led to the flood?  
We've got another thing comin' undone

But I won't be no runaway  
'Cause I won't run  
No, I won't be a runaway  
'Cause I won't run  
But I won't be no runaway  
What makes you think I enjoy being led to the flood?  
We've got another thing comin' undone  
And it's takin' forever

We don't bleed when we don't fight  
Go ahead go ahead throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead go ahead throw our shirts in the fire tonight

What makes you think I enjoy being led to the flood?  
We got another thing comin' undone  
We got another thing comin' undone  
And it's taking forever

I go breaking everything  
With you swallowing the shine of the sun  
I'll go breaking everything

With you swallowing the sun

But I won't be no runaway  
Cause I won't run  
No, I won't be no runaway  
Cause I won't run  
No, I won't be no runaway  
What makes you think I enjoy being led to the flood?  
We got another thing comin' undone  
And it's taking us over

We don't bleed when we don't fight  
Go ahead go ahead throw your arms in the air tonight  
We don't blee  
Go ahead go ahead throw our shirts in the fire tonight

What makes you think I enjoy being led to the flood?  
We got another thing coming undone  
We got another thing coming undone  
And it's taking us over  
And it's taking forever
