## "Think You Can Wait"

I was drifting, crying  
I was looking for an island  
I was slipping under  
I'll pull the devil down with me one way or another

I'm out of my mind; think you can wait?  
I'm way off the line; think you can wait?

We've been running a sleepless run  
Been away from the baby way too long  
We've been holding a good night gone  
We've been losing our exits one by one

I'm out of my mind; think you can wait?  
I'm way off the line; think you can wait?

Did I?  
(all I have is all)  
Think you can wait?  
Did I?

(all I have is all)  
Think you can wait?

What I'm thinking is simple  
I'll sell apples and ice water at the temple  
I won't make trouble  
I'll pull the devil down with me one way or another

We've been running a sleepless run  
Been away from the baby way too long  
We've been holding a good night gone  
We've been losing our exits one by one

I'll try.  
I'll try, but I couldn't be better.  
(all I have is all)  
I'll try, but I couldn't be better.  
(all I have is all)  
I'll try, but I couldn't be better.  
(all I have is all)
