Oh, when I lift you up you feel
Like a hundred times yourself
I wish everybody knew
What's so great about you

Oh, but your love is such a swamp
You don't think before you jump
And I said I wouldn't get sucked in
Ahhhhahhh

This is the last time

Oh, don't tell anyone I'm here
I got Tylenol and beer
I was thinking that you'd call somebody closer to you

Oh, but your love is such a swamp
You're the only thing I want
And I said I wouldn't cry about
Ahhhhahhh

This is the last time
This is the last time

We were so under the prime
We were so vacant and kind
We were so under the prime
We were so vacant
We were so under the prime
We were so out of our minds
We were so under the prime
We were so vacant

Oh, when I lift you up you feel
Like a hundred times yourself
I wish everybody knew
What's so great about you

Oh, but your love is such a swamp
You don't think before you jump
And I said I wouldn't get sucked in

Ahhhhahhh

I won't be vacant anymore
I won't be waiting anymore
I won't be vacant anymore
I won't be waiting anymore
I won't be vacant anymore
I won't be waiting anymore

Jenny I am in trouble
Can't get these thoughts out of me
Jenny I'm seeing double
I know this changes everything
[X2]

It takes a lot of rain in the cup
It takes a lot of pain to pick me up
It takes a lot of rain in the cup
It takes a lot of pain to pick me up

Baby you gave me pain and tears
Baby you left me sad and high
