Lord, forgive them, they know not what they do  
They're climbin' up the social ladder just to get to You  
They're stone throwin', Bible totin' debutantes from  
Hell  
In need of redemption to save them from themselves

They don't mean to be so mean  
Bless their hearts, it's in them genes  
They raise a glass to John 3:16  
When they hit their knees, you better watch your back  
They'll pray for you, and you don't want that  
They're devil's angels, and that's a fact  
They're good, good girls gone bad

They've sinned and found Heaven, And Daddy's kinda  
lack  
Showed up to church in a hiked up skirt  
And a big ol', brand new rack  
They're God fearin', good cookin' doers of good deeds  
Like omg, wwjd

They don't mean to be so mean  
Bless their hearts, it's in them genes  
They raise their glass to John 3:16  
When they hit their knees, you better watch your back  
They'll pray for you, and you don't want that  
They're devil's angels, and that's a fact  
They're good, good girls gone bad

Hoo!  
C'mon!

Wolves in sheep's clothes runnin' in packs  
They give that Judas kiss, then stab you in your back  
The bad apples don't fall far from the tree  
Granny teaches mama, mama teaches baby

Yeah, they don't mean to be so mean  
Bless their hearts, it's in them genes  
They raise a glass to John 3:16  
When they hit their knees, you better watch your back

They'll pray for you, and you don't want that  
Even Saint Peter can't get mad at  
Good, good girls gone bad

They're devil's angles, and that's a fact  
That's right  
Good, good girls gone bad
