Yeah, yeah

I like to hold your hand up high on the Ferris wheel
And how front porch swingin' with you makes me feel
Yeah, but when you pull up in your big ol' truck
I can't climb up in it fast enough

Cuz I'm a shotgun girl along for the ride
Yeah, dashboard drama on a Saturday night
Crankin' up Waylan, Willie and Mo

So throw one arm around me now, honey
We'll sling that gravel just like Bonnie and Clyde
I'd ride with you all around the world
Cuz boy I'm your shotgun girl

Yeah, I'm a shotgun girl

There's not a piece of road 'round here we ain't burned
down
Except that stretch that heads on outta town
Yeah, whenever you need to feel that freedom
Leave a little room for me

Cuz I'm a shotgun girl along for the ride

Yeah, dashboard drama on a Saturday night
Crankin' up Waylan, Willie and Mo

So throw one arm around me now, honey
We'll sling that gravel just like Bonnie and Clyde
I'd ride with you all around the world
Cuz, boy, I'm your shotgun girl

Yeah, I'm a shotgun girl

Yeah I'm a shotgun girl along for the ride
Yeah dashboard drama on a Saturday night
Crankin' up Waylan, Willie and Mo

So throw one arm around me now, honey
We'll sling that gravel just like Bonnie and Clyde

I'd ride with you all around the world
Cuz boy I'm your shotgun girl

I'm your shotgun girl, yeah, yeah
I'm calling shotgun baby, yeah, yeah
