We salute you in this national unity.
We salute you, with many good wishes in the national
tongue,
Bowing the head in respect to the national symbol.
We salute the flag that has such might;
It falls into the sphere of victory, fortune and success
With its green and red and white together, and
therefore we salute it.

2.
To those heroes who sought out honour and pride for
the nation
We give salute today in auspicious verses of
remembrance.
May the nation of the Maldivian Islanders advance
under guard and protection
And the name of the Maldivian Islanders become great.
Thus we pledge as we salute.

3.
We wish for their freedom and progress in this world
And for their freedom from sorrows, and thus we
salute.
With full respect and heartfelt blessing towards
religion and our tus hijos
Bajo el yugo su cuello dobleguen,
Tus campiÃ±as con sangre se rieguen,
Sobre sangre se estampe su pie.
Y tus templos, palacios y torres
Se derrumben con horrido estruendo,
Y sus ruinas existan diciendo:
De mil h*roes la patria aquÃ­ fue.
CORO IV
Ãi Patria! Ãi patria! Tus hijos te juran
Exhalar en tus aras su aliento,
Si el clarÃ³n con su bÃ©lico acento
Los convoca a lidiar con valor.
Ãi Para ti las guirnaldas de oliva!
Ãi Un recuerdo para ellos de gloria!
Ãi Un laurel para ti de victoria!
Ãi Un sepulcro para ellos de honor!
CORO
Mexicanos, al grito de guerra
El acero aprestad y el bridon,

y retiemble en sus centros la tierra
Al sonoro rugir del cañfÂ±on.
