Unbreakable union of freeborn republics

Great Russia has welded forever to stand!

Created in struggle by will of the peoples

United and mighty, our Soviet Union!

CHORUS:

Sing to the Motherland, home of the free,

Bulwark of people, in brotherhood strong!

Oh! Party of Lenin! The strength of the people.

To Communism's triumph lead us on!

Through tempests the sun rays of freedom have
cheered us

Along the new path where great Lenin did lead!

To a righteous cause he raised up the people

Inspired them to labour and valorous deed!

CHORUS

In the victory of Communism's deathless ideal,

We see the future of our dear land

And to her fluttering scarlet banner,

Selflessly true, we always shall stand!

CHORUS
