Doan Quan Viet-Nam Di

[March to the Front]

Verse 1

Soldiers of Vietnam, we go forward,
With the one will to save our Fatherland
Our hurried steps are sounding on the long and
arduous road
Our flag, red with the blood of victory, bears the spirit
of our country
The distant rumbling of the guns mingles with our
marching song.
The path to glory passes over the bodies of our foes.
Overcoming all hardships, together we build our
resistance bases.
Ceaselessly for the people's cause we struggle,
Hastening to the battle field!
Forward! All together advancing!
Our Vietnam is strong eternal.

Verse 2

Soldiers of Vietnam, we go forward,
The gold star of our flag in the wind
Leading our people, our native land, out of misery and
suffering
Let us join our efforts in the fight for the building of a
new life.
Let us stand up and break our chains.
For too long have we swallowed our hatred
Let us keep ready for all sacrifices and our life will be
radiant.
Ceaselessly for the people's cause we struggle,
Hastening to the battlefield!
Forward! All together advancing!
Our Vietnam is strong eternal.
