Sitting in a big white room alone  
Tilt my head back, feel the tears roll down  
Cause my eyes can't see in the dark  
I feel young, broken, so so scared  
I don't wanna be here anymore  
Wanna be somewhere else  
Normal and free, like I used to be  
But I have to stay in this big white room  
With little old me

I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine  
I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine

Sitting in a big white room alone  
Close the door  
Don't want the pain to come in  
I clench my fist  
And try to stay strong  
I cry, feel sick  
My heart is beating out of control  
Can I run more faster than you  
I wanna feel my body again  
Feel the wind in my hair

But I have to stay in this big white room  
Cos no one else cares

I'm going crazy  
I'm losing my mind  
I'm going crazy

In this big white room of mine  
I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine

Everybody's looking at me  
Everybody's staring at me  
What do I do now  
Smile, yeah  
Everybody's looking at me  
Everybody's staring at me  
What do I do now  
Smile, yeah

I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine  
I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine

I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine  
I'm going crazy  
I'm losing my mind  
I'm going crazy  
In this big white room of mine
