Alright now
Uh hum
My mama warned me about boys like you...
It's the reason why I wear these high-heeled boots..
yeah
And let me give you a lil piece of advice..
My papa packs heat n he won't think twice... yeah
Well why do you think they call me Jessie James? So
much trouble.. You better stay away!
Grab your hat.. better get gone..
But if you stay.. you've been warned!

I'm a bullet n I'm headed straight for your heart.. Yeah
eh!
Be careful of what you start
I'm a bullet n I'm headed for your heart.. Yeah eh!
It's gonna leave mark
Be careful what you wish for.. you get what you see
Is that a gun in your pocket or are you just happy to see
me?
I'm a bullet n I'm headed straight for your heart.. Yeah
eh!
Be careful what you start

Well every now n then I make a man break a sweat
Watch him work overtime.. earn my respect.. yeah
'Cuz I'm the kind of girl that you want to show off..
I'll tell him off to some of hia friends with a Southern
drawl.. yeah
Well why do you think they call me Jessie James? Sweet
as a peach.. Impossible to tame!
My finger's on trigger n you'll be to blame..
'Cuz I'm here to stay!

I'm a bullet n I'm headed straight for your heart.. Yeah
eh!
Be careful of what you start
I'm a bullet n I'm headed for your heart.. Yeah eh!
It's gonna leave mark
Be careful what you wish for.. you get what you see
Is that a gun in your pocket or are you just happy to see

me?

I'm a bullet n I'm headed straight for your heart.. Yeah

eh!

Be careful what you start

-outro-

Yeah I'll ride where the wind wants to takes me

Leavin' lovers in the dust every city

'Cuz my heart was like a ghost town, baby

And now I met a man that breaks me

[Well my mama warned me about boys like you.. it's the reason I wear these high-heeled boots]

I'm a bullet n I'm headed straight for your heart.. Yeah

eh!

Be careful of what you start (be careful what you start)

I'm a bullet n I'm headed for your heart.. Yeah eh!

It's gonna leave mark

I'm a bullet, baby

A bullet, baby

Oh Yeah eh.. oh yeah eh eh!

I'm a bullet, baby

A bullet, baby.. yeah ehh!

I'm a bullet n I'm headed straight for your heart.. Yeah

eh!

Be careful of what you start!
