Spotlights have a funny glow..  
They can keep you warm, but they can make you go  
crazy  
Always got to be the show..  
So you never know what it's like bein' in the crowd  
Lately I'm hearing people say you're a runaway  
And somebody's got to bring..  
You back to reality..  
Help you see the things that you might have been  
lookin' pass

I ain't burnin' bridges.. I'm tryin' to mend them  
I apologize.. if I ever hurt your feelings  
Got my own convictions and I got to live them  
I ain't burnin' bridges.. that ain't my intention

Ain't got nothin' to hide  
Yeah I know I've got a soul that's naked like water  
You n I wouldn't want to see..  
The girl I'd be if I wouldn't have turned you down  
Shown me so many things.. but the best would be never  
ever rolled over  
Stand up for what I believe  
And eventually, everyone will come back around

I ain't burnin' bridges.. I'm tryin' to mend them  
I apologize.. if I ever hurt your feelings  
Got my own convictions and I got to live them  
I ain't burnin' bridges.. that ain't my intention

-outro-

Always three sides to every story  
There's yours and there's mine, with any unreal  
The truth it hides behind a clear disguise

Ohh.. I ain't burnin' bridges.. I'm tryin' to mend them  
I apologize if I ever hurt your feelings  
Got my own convictions and I got to live them  
I ain't burnin' bridges.. that ain't my intention
