We may not have all the answers
Oh I know that we can change some of the things that
are beyond our control
And the vision of us may be blurry
But use your heart to see
Just follow the beat, the rhythm will lead you right back
to me
Sometimes its a game of give and take
Its easy to break but hold on and wait
Have a little faith

I will go down to the last round
I'll be your strength to find you when you get lost in the
crowd
So I'll stand up tall, if by chance I fall
Then I'll go down as a casualty of love

Love love love - casualty - love
Love love love - casualty - love
Love love love love casualty
A casualty of love

The battle of us will be simple
Escape without being hurt
Cuz' love is our shield, keeps us concealed
From what could get even worse

So baby let me be your soldier
Don't be overtaken by pride
Just close your eyes, take my hand
Promise to keep us alive

Sometimes its a game of give and take
Its easy to break but hold on and wait
Have a little faith

I will go down to the last round
I'll be your strength to find you when you get lost in the
crowd
So I'll stand up tall, if by chance I fall
Then I'll go down as a casualty of love

All is fair in love and war
Knock me down and I'll get back up wanting more
Through the fire and rain, it makes me numb from the
pain
That's the price, that's the price, I'll pay

I will go down to the last round
I'll be your strength to find you when you get lost in the
crowd
So I'll - I'll stand up tall and baby if I fall
Then I'll go down as a casualty of love
Love love love love (Repeat)

I'll be your casualty - casualty (Repeat)
Casualty of love
A casualty of love - a casualty of love - a casualty of
love
