Hey boy I would of thought that when you left me  
I'd be broken with my confidence gone... so bummed...  
Hey boy I would of thought that when you said that you  
don't want me  
I'd feel ugly n sense something was wrong  
Standing in front of the mirror... my skin's never been  
clearer  
My smile's never been brighter

I look so good without you  
Got me a new hairdo  
Lookin' fresh n brand new  
Since you said "that we're through"  
Done... with your lies  
Baby now my tears dried  
You can see my brown eyes  
Ever since you said goodbye  
I look so good, I look so good without you  
I look so good, I look so good without you

Hey I'd never would of thought that when you left me  
I'd feel sexy n so good in my skin again  
And I'd never would of known that  
I'd be dreamin' so much better without you in my head  
Standing in front of the mirror... my clothes never fit  
better  
My life's never been brighter

I look so good without you  
Got me a new hairdo  
Lookin' fresh n brand new  
Since you said "that we're through"  
Done... with your lies  
Baby now my tears dried  
You can see my brown eyes  
Ever since you said goodbye  
I look so good, I look so good without you  
I look so good, I look so good without you

Now baby my body's lookin' better than before  
Ain't bitin' my nails since you walked out of that door

I realized now I deserve so much more than what you  
give  
Than what you give (than what you give...)

I look so good without you  
Got me a new hairdo  
Lookin' fresh n brand new  
Since you said "that we're through"  
I look so good without you  
Got me a new hairdo  
Lookin' fresh n brand new  
Since you said "that we're through"  
Done... with your lies  
Baby now my tears dried  
You can see my brown eyes  
Ever since you said goodbye

I look so good without you  
Got me a new hairdo  
Lookin' fresh n brand new  
Since you said "that we're through"  
Done... with your lies  
Baby now my tears dried  
You can see my brown eyes  
Ever since you said goodbye  
I look so good, I look so good without you  
I look so good, I look so good without you
