United Soldiers!  
I think I just hear the...

Chorus:  
Bomb! Comin' from the sky  
Way up high  
Bringin' Afromental sound  
Bomb! Comin' from the sky  
So you better watch out  
It's gonna blow your mind

Sickness, that's what I feel  
I feel sick of music that gives a mind-drill  
Who did that? Who's making a deal  
Who's fault's a radio full of bulshit  
We won't stepp back  
We'll fight whith that pigs  
We'll crash that unit, join us you'll fit  
Open your mind, look to the sky  
Listen now, 'cause I think I just heard the bomb!

Chorus:  
Bomb! Comin,.....

They dont have a good damn thing you wanna hear  
Treatingyou like their whores whit no ears  
They don't even give a shit about their responsibility  
To the people and the way they feel  
They think we're only listeners blinded by their garbage  
Loud and colorful but not real  
They almost forgot we are here whith the massive gear  
Hold On!  
'Cause I think I just heard the bomb!

Chorus:  
Bomb! Comin,.....
