Ladies and gentlemen  
IT'S AFROMENTAL  
So U better get ready  
Cuz it's time for The Breakthru...

Aozina:  
Hold up stop for the second. You feeling strange  
Your body shakin'and different drills goin'thru your  
body  
You're standing' still not believin' you feel that way  
You feel like... you don't wanna be awaken  
When you hear the music you gotta move  
Don't you tell me you ain't feelin'groove  
I need a girl that's gonna move so smooth  
So baby get ready to break the rules

Shake that ass like  
Move your booty like  
Shake it left'n right  
Just feel the music x2

Tomson:  
Ain't got no place to hide  
You gonna feel this vibe  
The Breakthru is goin'to get ya  
Don't fight the music in ya  
I know you're not used to feel that  
Let it go and feel thevibration

When you hear the music you gotta move  
Don't you tell me you ain't feelin'groove  
I need a girl that's gonna move so smooth  
So baby get ready to brak the rules

Shake that ass like  
Move your booty like  
Shake it left'n right  
Just feel the music x2

Aozina:  
Baby girl... one day you're gonna come to my house  
We'll make love like never before

I'll be your Daddy girl that's right  
But till then...

Shake that ass like  
Move your booty like  
Shake it left'n right  
Just move your body girl!  
Shake that ass like  
Move your booty like  
Shake it left'n right  
Just shake that god damn booty girl!  
Shake that ass like  
Move your booty like  
Shake it left'n right  
Just feel the music.
