The other night you went and flaked on me again.
Didn't even say it, but I know you were with your
friends.
This ain't the first time, but I bet ya it'll be the last.
By the time you think of me, it's gonna be in the past.

Whoa whoa oh, you will regret it.
Whoa whoa oh, you just don't get it.

Tonight I'm gonna dance, get wild with my friends.
I'll stop thinking of you, and I'm loving it.
Tonight I'm gonna dance, get wild with my friends.
I'm not thinking of you...
222L8!
222L8!

When we first met you treated me like I'm the only one
But as time goes by you kept me waiting and hanging
on.
No more X-O-X-O, and no "Hello, shining star"
Now when you see me it's all about...

"Hey, girl, what's up?"

Whoa whoa oh, my phone is ringing.
Whoa whoa oh, gonna hit "ignore"

Tonight I'm gonna dance, get wild with my friends.

I stopped thinking of you, and I'm loving it.
Tonight I'm gonna groove, get lost in my moves.
I'm not thinking of you...

Tonight I'm gonna dance, get wild with my friends!
I stopped thinking of you, and I'm loving it.
Tonight I'm gonna dance, get wild with my friends!
I'm not thinking of you!

And I'm not gonna cry about it.
I'm not waiting any more.
Cause I could try like anybody,
But I can't teach you ever more!

Tonight I'm gonna dance, get wild with my friends!
I stopped thinking of you, and I'm loving it.
Tonight I'm gonna dance, get wild with my friends!
I'm not thinking of you!

Tonight I'm gonna dance, get wild with my friends!
I stopped thinking of you, and I'm loving it.
Tonight I'm gonna dance, get wild with my friends!
I'm not thinking of you!
