"Miss Me"

I wake up and I'm sober
Don't even know you anymore
Punch drunk on a feeling
Lost in believing I was sure

I don't care what you have to say
Damn words get in the way, I don't wanna know
I know there'll come a time
When I look you in the eyes and say, "I told you so"

And I promise you this
You're gonna miss me, miss me
As long as you live
You're gonna miss me, miss me
Oh

Set me up for the falling
Gave me no warning, you were gone
Let me down, I was reading
I can't believe what you have done

Go do what you've gotta do
Damn words will follow you everywhere you go
And I know there'll come a time
When I look you in the eyes and say, "I told you so"

And I promise you this
You're gonna miss me, miss me
As long as you live
You're gonna miss me, miss me
Oh

I believe in my heart
When something's wrong, say it's wrong
I can deal with the part
When something's wrong if we both stay strong
I know there will come a time
When I look you in the eyes and say, "I told you so"

And I promise you this
You're gonna miss me, miss me
As long as you live

You're gonna miss me, miss me
Oh, oh, oh, oh, oh
Oh, oh, oh, oh

I wake up and I'm sober
