Keeping myself in my mind
Keeping myself in my mind
Keeping myself in my mind
Keeping myself in your mind

(I fell in love with a) ghost gal.
(I'm gonna keep it) staring by
(I fell in love with that) ghost up
(in love with the past) says that the
(I fell in love with that) ghost I've.
(Keeping the light about) changing lives
(I fell in love with that) ghost I've
(Find a little bit) sadness, love
I ran away to a ghost land
It felt like a perfect dream
I grabbed a hold of two ghost hands
In a voice they'll always be
I went away to a ghost land
It felt like a perfect dream
I grabbed a hold of two girls' hands
In a voice that I'll always be
I went away to a ghost land
It felt like a perfect dream
I grabbed a hold of two girls' hands
In a voice that will always be

? we didn't see any good friends

? she was with me in my hand
? we could ___ a billion times

? no need
? and we could never be poisoned by

She was my ghost gal, she wants to carry me up so
high

I ran to tell all my good friends
Of the new love that I did find
Oh when I returned to my homeland
I was confused by the changing tide

? How do I live with the ghost gal if it makes me so
wanna die
Then I wasn't sure of my ghost plans
in the distance I heard her cry

[repeat 3x]
I'm so tired of disappearing
You're so beautiful you can't hear me
I want to hold you kiss you dearly
I fill the void and eternally cheer me

I ran away with my ghost gal
