(feat. Wyclef Jean)

[Wyclef Jean]

Y'all hear the guitars
Wyclef is in the building
Puffy came to get me
I have officially made the band
I'm a rockstar

[Sara]

Duh Duh Duh Duh Duh Duh a Duh Duh
Duh Duh Duh Duh Duh Duh a Duh Duh
Duh Duh Duh Duh Duh Duh a Duh Duh
Duh Duh Duh Duh Duh Duh Duh Duh Duh
Do you know where you're going to
Do you like the things
That life is showing you
What are you gonna do
Do you know

[Chopper]

So where you from?

[Babs]

Where chicks rock Air Force 1's
Belly shirts tied up and our hair stay done
So where you from

[Fred]

Where they don't rock Air Force 1's
We hit the block out the spots holding Air Force guns
So where you from

[Ness]

Philly spitters rock Dickies and boots
A deuce deuce in my tube socks inching the shoe
Man where you from

[Chopper]

Where guerillas don't be messing with cops
You catch a case

Go on the run and still hugging the block

[Babs]

What could you tell me

If you ain't never been in this here

[Fred]

My flow put me through better doors
And bought two gold pedals
For that Bentley Azure, euurrke

[Sara]
Please, don't give up, on your life
Ghetto child, it's alright, it's alright

[Dylan]
The sun will come out, tomorrow
Even though we grindin' down in the ghetto
But so we go, so we go
When the sun come out to shine
I'd be so ready for die now
Forgive me for my sins
But I still holding me nine-ah
VIP looking for another man for rob now
Just another way for escape Riker's Island

[Fred]
I'm gonna prove to these dudes
I can get me a Coupe
Without snatching you out of yours
With that steam on you, blakoww

[Chopper]
I wanna prove
I'm a superstar
My rims sitting on Shaquille O'Neals
You know who we are

[Babs]
I gonna prove it
That Babs is the best in the game
So thugs hold on tight
Like I'm snatching your chain

[Ness]
And I'm gonna prove it
To the chicks that cold shouldered me
And the record labels
That chose to look over me, ha
I ain't going back to jail
To a pack of Oodles and Noodles
In the wack of my cell
Dudes get cut in the yard
We rushing the guards
We taking over it's a riot
Gun button the Sarge
All of my homies with wheels

Waiting for in the peel
Is all the way real
We peel penitentiary steel, come on

[Sara]
Do you knooooowww Ohhhhhh
Do you know where you're going to
Do you like the things
That life is showing you
What are you gonna do (You gotta know)
Do you know
