She comes out in the night, sure you've seen her
before
Don't expect to get free, what the others pay for
She just plays her own game, and her love is for sale

She's living in the heart of midnight, deep in the heart
of midnight, free
And wild
She's living in the heart of midnight, deep in the heart
of midnight, she's
So cool

She can't ever look back, doesn't know where she's
from
Sure her heart never breaks, it is made out of stone
She doesn't want you to stay, for she goes her own way

She's living in the heart of midnight, deep in the heart
of midnight, free
And wild

She's living in the heart of midnight, deep in the heart
of midnight, she's
So cool

She is living, heart of midnight
She is living, heart of midnight

She's living in the heart of midnight, deep in the heart
of midnight, free
And wild
She's living in the heart of midnight, deep in the heart
of midnight, she's
So cool

She's living in the heart of midnight, deep in the heart
of midnight, free
And wild
She's living in the heart of midnight, deep in the heart
of midnight, she's
So cool

She is living, heart of midnight
She is living, heart of midnight...
