My love
Now you're lying lonesome with visions of blue

Visioning you.
Again
You let your heart go when

Whenever you do
It's hurting me
Too.
When damage is done
I watch you run

It's me you call
To me you come.

Kisses and tears - my one and only

Don't be lonely
I'm right here.
Kisses and tears - we'll turn that bad dream
To a good thing
It's so clear.

Kisses and tears - a new world's waiting
That we're creating with our love.
Kisses and tears - my one and only

Don't be lonely
Don't you run.

You know how a heartache ends

With visions of blue abandoning you.
I know that we're more than friends

You know that it's true
It's long overdue.
No more to run
No damage done

Now hear my call
To you I come.

Kisses and tears - my one and only
...
Kisses and tears - a new world's waiting . . .

Kisses and tears - my one and only
...
Kisses and tears - my one and only
...
Kisses and tears - a new world's waiting . . .
