If you want it - you got it - I would give all my love for
you
Cause I won't every stop I would give all my love for you
'Cause I won't ever stop - I would give all my love for
you
So why don't you believe it - I would give all my love for
you
You will always receive it - I would give all my love for
you
Please believe, please believe - my love for you
Please believe, please believe - my love for you

Dream on, so you say
Move on go away
Too many things are on my mind
The way to you I can't find
Make me lose my brain
The way you act makes me insane
Write your name across my heart
Give me love from the start
Your advice, I don't doubt it, treat a girl nice that's
about it for me
To have a good time

Cause love sure nuff's no crime
There's no way to stop this
There's no time to top this
And I can't get enough
'Cause I just want your love

Refren'

Girl you know you're my fantasy
Come on, be a part of my destiny
I would do anything for you
Why don't you love me too
Color my world day and night
There's more to life than black and white
Tell me now what's your problem
Or I can't help you solve'em
It took me long to find you

Come on leave it all behind you
Don't be afraid, have no doubt
'Cause you're the girl I can't do it without
Write your name across my heart
Give me love from the start
Love is all I got to give
Without you I cannot live

Refren'
