You Know My Nights Are So Empty
My Heart Feels So Lonely
Oh I Try To Keep The Flame
I Know I'm Losing This Game
But You're My Reason To Go On
Oh Baby Look What You've Done

You're The Queen Of My Dreams
You're The Queen Of My Heart Babe
Oh Baby I'm Still Missing Your Touch
You're The Queen Of My Dreams
You're The Queen Of My Heart Babe
Oh Baby I Still Miss You So Much
Missing Your Touch

You Know There's No One To Blame

In This World Of No Name
I Just Try To Survive
I Know Now You're So Far Away
Don't Ever Leave Me Alone
Cause Babe You're Always On My Mind

You're The Queen Of My Dreams
You're The Queen Of My Heart Babe
Oh Baby I'm Still Missing Your Touch
You're The Queen Of My Dreams
You're The Queen Of My Heart Babe
Oh Baby I Still Miss You So Much
Missing Your Touch
