S.O.S. - can't you hear me?
S.O.S. for love.

Baby I can't believe what you did.
You really made a fool out of me.
When we met I felt love was around. You turned me
upside down.
Then you came. Filled the hole in my life.
I need you baby. I can't deny.
Now you're gone. I still remember the times.
I can't forget your smile.

I'm sending out an S.O.S.
Can't you hear me? S.O.S. for love.
Sending out an S.O.S. Please believe me.
S.O.S. for love.
S.O.S. Sending out an S.O.S. for love.
S.O.S. Sending out an S.O.S. for love.

I can tell by the look on your face.
You stole the memory. I can't erase.
In my dreams you appear every night.
Until the morning light.

I'm sending out an S.O.S.
Can't you hear me? S.O.S. for love.
Sending out an S.O.S. Please believe me.
S.O.S. for love.
