[Sara]

Somethin happens when you touch me
I get open, and my legs starts quivering
This sensation, emotions take control of me
Its a temptation, i don't knows what's come over me

[Babs]

Yeah baby, tonights the night
Ima ride that thing like a motor bike
Grab my waist and hold it tight, im not frontin
You think i bought a box of Lifestyle for nothin
Please i got blunts you supply the weed
Im the best so baby keep yo eyes on me
Its about time i get mine nigga im ready
And sex aint the bomb if the girl aint sweaty

[Chopper]

Listen ma, we been chillin out for a minute
And right now im in the mood to straight hit it
We know enough about each other, i been patient
Look, but every nigga got his limits
Im tired of waitin, i feel like tonight is the night
To get Bucky Ball naked and make love all night
You aint gotta worry bout me bustin in quick seconds
I can handle mine plus im young and energetic, you
ready

[Chorus]

So where were you at ma show me a sign

I been peepin ya all night
And your alright
The reason im starin im comparin
Some things we may have in common
And tell ya comin on our plane to Bahamas
I love how you abuse the charm
You got a Bad Boys tellin leave them fools alone
Any place that you stay i can move your home
Im talkin shoppin sprees for weeks in Rome
We would import 4 in the mornin we gone
Off to Paris to meet Sean
I can't dissapoint Mr.Combs
But first i need the number to your phone

[Chorus]

[Sara]

Somethin happens when you touch me
I get open and my legs starts quivering
This sensation, emotions take control of me
Its a temptation, i don't know what's come over me

[Ness]

You aint gotta act boogie or be all uptight
Tonights the night E.Ness will put up a fight
Best sex you ever had in your life
If it turn out right fuck around gettin married tonight
Rock that hand off a one night stand
Hop in the van goin honeymoon in Anfadan
Tomorrow mornin we gon drive back home
And smoke a lot so we can be in the twilight zone

[Dylan]

I wanna have you in the kitchen, put you pon di dresser
Throw you in the closet then undress ya
Treat ya like a one night stand give ya the pressure
Make you hit high notes like R&B singers mi gyal

[Chorus x2]
