I don't expect the guarantee
From you, but maybe somehow
I thought your love was specially
Made for me, now I know
Dust in the sands, you've been sending
So what is the game you're pretending?
Who's that man by your side
The man by your side
Who's that man by your side
The man by your side
Cause if when we - all or nothing
Cause if when we - you and me
Who's that man by your side
The man by your side
The lesson you have given me
I got it that is for sure
You better stop messing around
I'll walk right out through the door
Dust in the sands, you've been sending
So what is the game you're pretending?
Who's that man by your side
The man by your side
Who's that man by your side
The man by your side
Cause if when we - all or nothing
Cause if when we - you and me
Who's that man by your side
The man by your side
Dust in the sands, you've been sending
So what is the game you're pretending?
Who's that man by your side
Who's that man by your side
The man by your side
Cause if when we - all or nothing
Cause if when we - you and me
Who's that man by your side
The man by your side (I wanna know)
Who's that man by your side
The man by your side
Cause if when we - all or nothing
Cause if when we - you and me
