Where do I begin?  
How to I start?  
To tell you about this crazy feeling taking over my heart  
I hear it in your voice; see it in your eyes  
It's that something I've been searching for all of my  
life.

Maybe I am wrong but I got this feeling  
You could be the one but it's too soon to tell  
I'm a little shy  
Damn, I wish that I could find the words to tell you how I  
feel

Maybe I'm wrong, maybe you don't care?  
It's all in my head,  
Maybe it's better for me to move on and forget  
Better play it safe, so I don't get hurt.  
Even though everything inside of me wants it to work.

Maybe I am wrong but I got this feeling  
You could be the one but it's too soon to tell  
I'm a little shy  
Damn, I wish that I could find the words to tell you how I  
feel

I was okay  
Till you came along  
Invaded my mind, now you're all that I want  
This isn't like me, I thought I was strong  
But you make me weak.

Uh oh

Maybe I am wrong but I got this feeling  
You could be the one but it's too soon to tell

Maybe I am wrong but I got this feeling  
You could be the one but it's too soon to tell  
I'm a little shy,  
Damn I wish that I could find the words to tell you how I  
feel.

But what if I'm wrong?  
What if I'm wrong?
