I Don't Know Enough About You

I know a little bit about alot of things
But I don't know enough about you
Just when I think you're mine you try a different line
Baby what can I do

I read the latest news
No buttons on my shoes
Baby I'm confused about you
You've got me in a spin
And what a spin I'm in
Cause I don't know enough about you

Jack of all trades
Master of none
And isn't it a shame
I'm so sure that you'de be good for me
If you'de only play my game

You know I went to school
And I'm nobody's fool
That is to say until I met you
I know a little bit about alot of things
But I don't know enough about you

(guitar solo)
(piano solo)
(guitar solo)
(bass solo)

Jack of all trades
Master of none
And isn't it a shame
I'm so sure that you'de be good for me
If you'de only play my game

You know I went to school
And I'm nobody's fool
That is to say until I met you
I know a little bit about alot of things

But I don't know enough about you

I know a bit about biology

A little more about psychology

I'm a little gem in geology

But I don't know enough about you

No, I don't know enough about you

No, I don't know enough about you
