[Mya] [Wyclef Jean]
(New millennium, pump this in your jeeps)
This is for all y'all out there
That ever dealt with somebody (Pump this in your
jeeps)
Who lyin' fakin' cheatin'
Stealin' creeping, B-Sin' (Pump this in your jeeps)
I got this thing called the lie detector
Two tea-spoons and they're bound to tell the truth
(Pump this in your jeeps)
Listen

[Mya]
You told me, that I was your fantasy yeah
You said that we would practice monogamy
So I became a freak under the sheets
Put his ass to sleep crept into the kitchen
And got the remedy it's called the lie detector
I slipped it in his drink I brought it to his bedside
And said take a sip of this and don't think

[Chorus:]
You won't believe what happened
When he sipped the lie detector
Looked into his eyes
Asked him where you been?
He said it's no surprise
Cause I've been with my ex girl
Why'd you tell me the truth?
He said you wanted to hear the truth

[Hook]
Sometimes I wish I never gave him a detector
I thought he loved me but he loved her
So I'm kind of glad he took the lie detector
Now I know the truth so you can get the boot

[Beenie Man]
Man you have to you have to you have to go mami
Tie up tie up tie up clothes yeah
End of end of end of the road

Once you find out you gonna light up

[Mya]

She told you
Baby let's get married
Always been faithful
Let's spend eternity
So he became a freak under the sheets
Put her ass to sleep
Creep into the kitchen
Got the remedy
It's called the lie detector
Slipped it in her drink
Brought it to her bedside
And said take a sip of this and don't think

[Chorus]

[Hook]

[Beenie Man]

Now to all the women of the country
It ain't my fault
If the girl ain't want for love me
Truly want to meet me
Kind of girl that want to
Too many girls they sugar
They want to kiss me
Anyway my life is sweet
My girl is neat
I know the streets
Girls jumping at my feet
Well my brides are few
Oh I see we don't defeat
From your lovin girl is but a treat

[Mya [Beenie Man]]

If you got a need for some prescriptions (Baby it's all
up to your expectations)
Make sure that it's with communication (Look out for
your man cause he put down the foundation)
Don't want to find yourself asking how did this happen
(Ma just shows my love is not open)
Friday the thirteenth went to the movies (Baby hurry up
and get goofy)

[Chorus]

[Hook]

You won't believe what happened
When he gave the lie detector
Picked up the pager numbers

Said who's called sixty-nine?
She said don't be surprise
Cause it's been your best friend
He looked and swallow his pride
Felt like crying, but guys don't cry

Sometimes he wished he never gave her a detector
But thought she loved him, but she loved his best
friend
But now he's kind of glad she took the lie detector
He found out the truth so he gave her the boot

[Beenie Man]

Hey you have to you have to you have to go mami
Tie up tie up tie up clothes yeah
End of end of end of the road
Once you find out, ya gonna light up
You have to you have to you have to go mami
Tie up tie up tie up clothes yeah
End of end of end of the road
Once you find out you gonna light up

[Wyclef]
