Come sweetheart, mine, don't sit and pine  
Tell me of the cares that make you feel so blue  
What have I done? Answer me hon'  
Have I ever said an unkind word to you?

My love is true and just for you  
I'd do almost anything at anytime  
Dear, when you sigh or when you cry  
Something seems to grip this very heart of mine

Come to me, my melancholy baby  
Cuddle up and don't feel blue  
All your fears are foolish fancy  
Maybe you know, dear, that I'm in love with you

Every cloud must have a silver lining  
Wait until the sun shines through  
Smile, my honey, dear, while I kiss away each tear  
Or else I shall be melancholy too

Every cloud must have a silver lining  
Wait until the sun shines through  
Smile, my honey, dear, while I kiss away each tear  
Or else I shall be melancholy too
