-Sophia-

I've never been afraid of the highest heights,  
or afraid of flying now.

I've never been afraid of the wildest fights,  
Or afraid of dying.

-Rebecca-

And now I want off these rides cause you're scaring  
me.

I don't like where we're going.

I need a new funfair cause you're scaring me.

I don't like where we're going.

I don't like where we're going.

-Sophia-

I need a dollar, dollar is what I need.

-Esther-

I know you're gunna miss me.

-Sophia-

I need a dollar, dollar.

-Esther-

Garuntee you'll miss me,  
Everyday I'm Shuffelin,

-Rebecca-

Who run the world,

-Esther-

Cause you changed the way you kiss me

-Sophia-

I like my beats fast and my bass down low, Bass down  
low.

-All-

You better hold your girls up

Ohoh oh oh oh ohoh oh ohoh oh

Who's gunna save the world tonight,

Grab somebody sexy tell 'em hey,

I will love, love you tonight  
Give me everything tonight  
For all we know, we might not get tomorrow  
Let's do it tonight, tonight

-Rebecca-

And they say, she's in the class A-team, A-team  
Just under the upper hand, and go mad for a couple  
grams,  
She don't wanna go outside, tonight  
In her pipe she flys to the motherland, or sells love to  
another man  
She's too cold outside, tonight

-Sophia-

I can have this moment for life, for life, for life, for life

-Esther-

I missed school and I haven't got a job yet,  
My boy's pissed and my daughter's on the way,  
I went clubbin till my world was revolving  
Pretty women and alcohol eh hh  
I missed school and I haven't got a job yet, oho oho  
My boy's pissed and my daughter's on the way, oho

Pretty women and alcohol eh hh, eh eh eh eh eh eh..
