She wants the lights turned off
She doesn't want to be on top
He really wants to give it to her
Illuminate her every curve

But girl ain't having it, having it, no
Feels like she's lacking it, lacking it, yeah
Doesn't realize that she's beautiful
And that her man, just wants some ASS..and so

[Chorus]

If you're au naturel
Or you paid a couple thou, thou, thou
Get it, go get it, get it
Get it, go get it, get it

If you're au naturel
Or you paid a couple thou, thou, thou
Get him, go get him, get him
Get him, go get him, get him

Hold your girls up
Put your chest out
Show your best now, throw the rest away

Hold your girls up
Put your chest out
Show your best now, throw the rest away

Hey, hey, hey, hey
Didn't someone tell you baby?
Oh, oh, oh, oh
Didn't someone tell you baby?
Hey, hey, hey, hey
Didn't someone tell you baby?
Oh, oh, oh, oh,
You gotta hold your girls up!

[Verse 2]

She wants to be fit like the pics in the magazines

But we can't airbrush reality
No we can't give into vanity
Just be like how you want to

But girl ain't having it, having it
Now she's looking like a mannequin, mannequin
Never thought that she was beautiful
But she is what she is, cuz she is who she is

[Chorus]

If you're au naturel
Or you paid a couple thou, thou, thou
Get it, go get it, get it
Get it, go get it, get it

If you're au naturel
Or you paid a couple thou, thou, thou
Get him, go get him, get him
Get him, go get him, get him

Hold your girls up
Put your chest out
Show your best now, throw the rest away

Hold your girls up
Put your chest out
Show your best now, throw the rest away

Hey, hey, hey, hey
Didn't someone tell you baby?
Oh, oh, oh, oh
Didn't someone tell you baby?
Hey, hey, hey, hey
Didn't someone tell you baby?
Oh, oh, oh, oh,
You gotta hold your girls up!

[Bridge]

Girls up...
So bitches get pretty
Pretty, pretty
Girls up...
So bitches get pretty

[Chorus]

If you're au naturel
Or you paid a couple thou, thou, thou
Get it, go get it, get it

Get it, go get it, get it

If you're au naturel
Or you paid a couple thou, thou, thou
Get him, go get him, get him
Get him, go get him, get him

Hold your girls up
Put your chest out
Show your best now, throw the rest away

Hold your girls up
Put your chest out
Show your best now, throw the rest away

Hey, hey, hey, hey
Didn't someone tell you baby?
Oh, oh, oh, oh
Didn't someone tell you baby?
Hey, hey, hey, hey
Didn't someone tell you baby?
Oh, oh, oh, oh,
You gotta hold your girls up!
