Run run run  
Babylon dem a come  
Run run run  
Babylon dem a come

Cause I'm a righteous rastaman  
I can't stop to fight against the babylon  
Cause if I stop I shall kill the babylon  
So run yeah run

Run run run  
Babylon dem a come  
Run run run  
Babylon dem a come

We the black generation  
We can have no peace in this land  
The babylon they hide on every street corner  
Seeking to cause trouble ever more  
Amongst us black people  
So what can we do  
We got to keep on the move  
So run yeah run

Run run run...
