m a wanted man
Running away from the policeman
Them want fe charge I
For smoking ganja

I see them coming
Some are coming with their guns
Some are coming with their batons
Some are riding on horses
Some are coming with their dogs
Just fe catch I
Oh oh just fe catch I
(I feel the presence of the wicked)

Meanwhile Im smoking my ganja
Them a use LSD
Meanwhile Im smoking my ganja
Them a use them LSD
Don't wanna learn no GCE
Or JSE
Don't trouble I (oh no)
Don't trouble I (oh no)
Im just smoking my ganja
