"Shut Up"

Visit "[Shut Up](#)" on MotoLyrics.com

One thing I've got to know is the way you're gonna go
Should I cry or even die
Is this the thing they call love cause it's the thing I've
been dreaming of
Or is it a show of being confused without any rules
The time has come to realize that life ain't only sugar
and spice
I wanna know for sure and now will you be with me

Refrain :

So if you love me please don't let me go just let me
know
If you need me please don't talk too much let me feel
your touch
Please shut up and hold me tight and hold me close
We're gonna play this wicked game from dusk 'till
dawn

My fever doesn't go away a strange feeling just makes
me stay
This is a night of lovers fight Without any rules

Bridge :

I can't stop feeling useless You make me feel so
helpless
You are my drug of madness and I'm addicted
