When you left, I lost my voice
I lost my voice for two whole weeks
For two big weeks I sat here thinking about what made
up "You and Me"

We were more than that
We were bigger than this
I asked you not to
I begged you "Please!"
You said "No!"
I said "Please. Please!"

Hey.
I know we were bigger than the money
I know we were bigger than that
I know we were bigger than the money
I know we were bigger than cash
I know we were bigger than the money
I know we were bigger than that
I know we were bigger than the money
I know we were bigger than cash

It's funny how these things start out
It's funny - we all have our dreams
And sometimes, sometimes
Sometimes people say things they don't mean

We were more than that
We were bigger than this
I loved you like a brother Judas
Judas, kiss k-k-kiss kisses
Kiss my,

Chorus

The money, the money, the money
The money, the money, the money
The money, the money, the money
The money, the money, the money
The money, the money, the money
The money, The Mo-Mo-Money-Money-MO!

Chorus

The money, the money, the money
The WHOOOH, the money, the WHOOOH, the money,
the money
The money, the money, the money
The WHOOOH, the money, the WHOOOH, the money,
the money
The money, the money, the money
The WHOOOH, the money, the WHOOOH, the money,
the money
The money, the money, the money
The WHOOOH, the money, the WHOOOH
THE MO-MO-MONEY-MONEY-MO
